## Lights, Sights, Lasers US Tour Brings LaserMax to Gunsite

**April 25, 2015 (Rochester, NY)** —Military, law enforcement, and security professionals will soon descend upon the Gunsite Academy in Paulden, Arizona for stop six in the 2015 Lights, Sights and Lasers, US Tour. Providing complimentary training on the use of tactical illumination tools, weapon sights, and LaserMax weapon lasers, this popular training tour offers a dynamic course of fire designed to enhance the operational efficiency of students. The April 28th and 29th course represents a first for LSL since its 2012 inception as well as the first of its kind at Gunsite Academy.

Led by Wes Doss, founder of Khyber Interactive Associates, the LSL Tour will present its advanced curriculum aided by LaserMax sights and illumination tools to twenty stops around the United States in 2015. For more information, visit: [www.lslustour.com](http://www.lslustour.com).

Gunsight Academy was founded in 1976 by Lt. Col. Jeff Cooper and offers safe, authoritative programs of study to elite military personnel, law enforcement officers, and free citizens of the United States. For more information on Gunsite Academy, visit: [www.gunsite.com](http://www.gunsite.com).
